

CRIMINAL JUSTICE, BS (EMAJOR)

School of Social Sciences and Education

The Bachelor of Science in Criminal Justice continues student education in key concepts and theories in the field of Criminal Justice. Students will develop written and oral communication skills and examine issues and take 3000 and 4000 level coursework related to criminal justice.

The degree program prepares students to enter a career in policing, corrections, and others. It also prepares students for entry into a Master's program in Criminal Justice or Public Administration. This program can be completed online.

To qualify for graduation, students must meet all graduation requirements (<http://catalog.highlands.edu/academic-information/#graduationrequirements>).

1

Courses with numbers ending with a K include a lab

2

Any course taken to satisfy an Area E requirement cannot also be used to satisfy an Area F requirement

3

To be eligible for all 3000 and 4000 level courses, students must be admitted to GHC and either be working toward an associate's degree or have a transferrable associate's degree from an accredited institution. Transferable associate's degrees only satisfy areas A through E - students must complete area F courses in Criminal Justice as required by GHC.

4

An optional concentration in Law Enforcement can be completed by choosing 30 hours from these courses.

5

An optional concentration in Social Justice can be completed by choosing 15 hours from these courses.

Students enrolled in the Bachelor of Science in Criminal Justice who have successfully completed specific Georgia POST and military/investigator credit will be able to receive corresponding college credit, as credit for prior learning, at no additional cost. To determine if you are eligible,
