

LOGISTICS AND SUPPLY CHAIN MANAGEMENT, BBA

School of Business and Professional Studies

The Bachelor of Business Administration degree in Logistics and Supply Chain Management introduces students to the concepts related to all areas in manufacturing and distribution but is also an umbrella term incorporating many diverse positions. Students learn key skills including financial management, accounting, management, marketing, human resources, warehousing, distribution, and many others. While there are opportunities for specialization, there are also an array of opportunities available with this degree. Students may also elect to participate in GHC's highly successful BBA internship program that provides connection possibilities to future job placements. May be completed fully online.

To qualify for graduation, students must meet all graduation requirements (<http://catalog.highlands.edu/academic-information/#graduationrequirements>).
