

HUMAN SERVICES, ASHS

School of Social Sciences and Education

The Associate of Science degree in Human Services introduces students to key concepts and theories in the field of human services. Students will develop written and oral communication skills and examine issues and take coursework related to human services. This degree program prepares students to enter into a career in Human Services or Social Work. This program can be completed online.

To qualify for graduation, students must meet all graduation requirements (<http://catalog.highlands.edu/academic-information/#graduationrequirements>).

1

Students wishing to transfer to a four-year institution should substitute POLS 1101 American Government together with either HIST 2111 American History I or HIST 2112 American History II for HIST 1000 U.S. and Georgia History. This will add an additional three semester credit hours to the total hours required by Georgia Highlands College.

2

Courses with numbers ending with a K include a lab

3

Students who anticipate transfer to a senior level institution should determine the laboratory science sequence needed at their receiving institution. Some of the sequence options require MATH 1111 College Algebra as a prerequisite.

4

Students who anticipate transfer to a senior-level institution should understand that BIOL 2251K Anatomy & Physiology I and BIOL 2252K Anatomy & Physiology II will not transfer under area D as a science course or science sequence.

5

Students wishing to receive credit for HMSV 2161 Field Work II (Practicum) must be able to document at least nine months or 1,560 hours of human services experience. The work experience must be directly related to the educational experience provided through the course work and the field experience required for the human services degree. For details of documentation requirements and criteria for review, contact the Chair of the School of Social Sciences and Education. Further information is provided in the Human Services Fieldwork Experience Student/Agency Handbook.
