

# POLITICAL SCIENCE PATHWAY, A.A.

School of Social Sciences and Education

The Associate of Arts degree in Political Science introduces students to key concepts and theories in the field of political science. Students will develop written and oral communication skills and examine the American government, state and local government, as well as global and domestic issues. This degree program prepares students to succeed in a bachelor's program in Political Science, Public Administration, Organizational Leadership, Criminal Justice, and others. This program can be completed online.

To qualify for graduation, students must meet all graduation requirements (<http://catalog.highlands.edu/academic-information/graduation-requirements/>).
