

PSYCHOLOGY PATHWAY, A.A.

School of Social Sciences and Education

The Associate of Arts degree in Psychology introduces students to key concepts and theories in the field of psychology. Students will develop written and oral communication skills and examine various psychological theories and areas of psychology. This degree program prepares students to succeed in a bachelor's program in Psychology, Social Work, Organizational Leadership, and others. This program can be completed online.

To qualify for graduation, students must meet all graduation requirements (<http://catalog.highlands.edu/academic-information/#graduationrequirements>).
