

TEACHER EDUCATION: BIRTH-5 YEARS PATHWAY, A.S.

School of Social Science and Education

The Associate of Science degree in Birth-5 Education introduces students to key concepts and theories in the field of Birth to 5 education. Students will develop written and oral communication skills and examine issues relevant to birth to 5 education. This degree program prepares students to succeed in a bachelor's program in Education or to go into the workforce in a birth to 5 year old childcare setting. This program can be completed online.

to qualify for graduation, students must meet all graduation requirements (<http://catalog.highlands.edu/academic-information/graduation-requirements/>).
