

# CAMPUS SAFETY

The Department of Campus Safety is responsible for providing a safe and secure educational environment where life, safety, and property are protected. Our mission is to provide safety, parking and emergency preparedness services to the Georgia Highlands College community in a professional manner that will provide the College a safe environment that is conducive to education for all who study, work and visit GHC.

The College maintains a force of campus police officers and partnership with Dynamic Security whose duties are integrated to provide crime prevention, emergency services, and parking control/enforcement. Officers are on duty during classroom hours on all campuses. The Department strives to contribute to the academic environment by performing professional safety and security tasks with a positive, service-oriented, and educational approach.

Officers patrol the campuses via marked patrol units and on foot patrol to deter acts of crime, correct safety and security hazards, and to detect and intervene when criminal activity occurs. They respond and follow-up on all reported crimes along with local police officers. In addition to patrol duties, officers investigate traffic accidents, assist in medical emergencies, provide limited motorist assistance, enforce campus parking and traffic regulations, and provide safety support for many campus activities and events. Officers also direct campus emergency management plans and responses. Campus crime statistics are available at <https://ope.ed.gov/security/>.

The Department maintains a close working relationship with local police, fire and emergency agencies and their members. They come together through meetings, training, and investigative follow-ups. Information is freely shared between local agencies. The Department maintains Mutual Aid Agreements with the Floyd County Police Department, the Rome Police Department, Dallas Police Department, Marietta Police Department, and the Bartow County Sheriff's Office. The Department also cooperates and coordinates with other local, state, and national campus safety agencies to remain abreast of trends, concerns, and problems affecting college campuses and students.

All Georgia Highlands College faculty, staff, and students must register their vehicle before operating or parking a vehicle on campus. Parking at any GHC location is by valid permit only. Parking permits are available at any Campus Safety Office or online. A complete copy of the parking and traffic regulations is available at <https://sites.highlands.edu/campuspolice/traffic-information/> (<https://sites.highlands.edu/campuspolice/traffic-information/>).
