

TUITION AND FEES

Tuition and other fees are authorized and updated periodically by the Board of Regents of the University System of Georgia and are payable and due at the time of registration each term. **Tuition and fees are subject to change pending action from the Board of Regents of the University System of Georgia.**

Registration is finalized and complete when all tuition and fees are paid for the specific term, including parts of term within the full term. Payment of fees may not be deferred. Failure to pay for any class during any term or part of term could result in cancellation of all classes. Payment may be made in person, by cash or check, or online by credit card or electronic check, and/or pre-approved financial aid is accepted. For all online payments, please visit highlands.edu (<http://highlands.edu>).

Students who have financial aid will have their aid applied directly to their student account. This will be done periodically throughout the term as student's aid is approved and as verification of attendance is completed.

Fee Refund Policy

Students who formally withdraw from all courses at Georgia Highlands College are entitled to a refund of in-state tuition, out-state tuition, technology fee, student activity fee, data card fee, student support services fee, athletics fee, and parking/transportation fee at a prorated amount up to the completion rate of 60% of the semester. Students who do not formally withdraw from all courses are not entitled to a refund.

Students may drop a course during the drop/add period without penalty. During the drop/add period, fees will be adjusted. After the drop/add period ends, students may withdraw from a course without penalty until mid-term. The student will receive no refund for withdrawing from a course. A drop of all courses constitutes a complete withdrawal.

The refund amount for students withdrawing from the institution shall be based on pro rata percentage determined by dividing the number of calendar days completed by the student during the semester by the total calendar days in the semester. The unearned portion shall be refunded up to the point in time that the amount equals 60%.

Students who withdraw from the institution when the calculated percentage of completion is greater than 60% are not entitled to a refund of any portion of institutional charges.

Return of Student Aid

Students receiving financial aid will be required to return any unearned portion when a student withdrawal request form is completed. Amounts will be based on the calculation of the percentage of time enrolled as of the official withdrawal date times the total amount of financial aid awarded. The official withdrawal date is entered on the student withdrawal request form.

The amount of aid to be returned for any student withdrawing from the institution shall be based on pro rata percentage determined by dividing the number of calendar days completed by the student during the semester by the total calendar days in the semester. The unearned portion shall be returned up to the point in time that the amount equals 60%. Unearned Federal funds will be returned in the following order: Unsubsidized Direct Loans, Subsidized Direct Loans, Federal Pell Grants, Iraq and Afghanistan Service Grants, and Federal Supplemental Educational Opportunity Grant (SEOG).

Financial Obligations to the College

Failure to meet financial obligations to the College may result in the student being unenrolled with no credit for the semester. Such students may be denied enrollment in subsequent semesters.

The College will withhold copies of educational records of students who have outstanding debts to the institution.

Collection Policy

All delinquent debts and/or obligations to the College will be turned over to a collection agency for further legal collection action. All accounts turned over to a third party for legal collections will be subject to pay the fees of any collection agency, which may be based on a percentage at a maximum of 15% of the debt, and all costs and expenses, including reasonable attorney's fees, Georgia Highlands College incurs in such collection efforts.

Returned Check Policy

The returned check charge is \$30 or 5%, whichever is greater.

Once the business office is notified that a check has been returned unpaid, a hold will be placed on the student's account and the writer of the returned check will be notified via certified mail. The writer will be given ten days to satisfy the debt. If at the end of the ten-day period the account remains unpaid, the class schedule of the student for which the check was presented, will be dropped for non-payment. After two returned checks, a student will lose the privilege of writing checks to the College, and the student is on a "cash only" basis for the remainder of their attendance at GHC.

Requests for 100% Refund After the First Day of Class

Student requests for 100% refund of tuition and fees after the first day of classes may be considered if the student is unable to continue enrollment. The student must provide to the President's Cabinet the following information:

1. A statement, in writing, as to why the request for 100% refund should be allowed
2. Official documentation validating the student's request.

When this documentation is received, the President's Cabinet will consider the decision as to refund, and the student will be notified in writing of its decision.

In order to qualify for the refunds, students must withdraw formally from their classes and present the institution with a copy of their official orders. Requests for exceptional relief (under section C above) must be made to the president of the institution.
